Sir,

ESTABLISHMENT - (Temporary)- South Kanara-District Arms Licences - Increase of work in connection with- Temporary clerk in the office of the District Magistrate- Extension of post for one year and sanction for an additional clerk - Prayed for -

(P) Ref: 1) G.O.Ms.No.854 Home dated 4-3-47 communicated in B.P.Rt.No.1392 (Excis, Separate Revenue, and Prohibition) dated 11th March 1947.

2) G.O.R.No.1395 Home dated 19-5-1947 communicated in B.P.Rt.No.2989 dated 26-5-47.

I solict a kind perusal of the two reports made in Ref.C.No.5064-46-C2 dated 1st November 1946, and Ref.5064-C2-/46 dated 27-4-47 in connection with the two G.Os cited above.

2/- The routine work in connection with the grant of gun-licences in this district has always been very heavy on account of the existing large number of gun licences. Ever since the issue of Government Memo No.39060-G/44-1 Home/1 dated 22-12-44 there had been a steady increase in the receipt of applications. This fact was reported to the Government, and sanction for the appointment of an additional clerk for one year was applied for in this office Ref.C.No.5064-46-C2 dated 1st November 1946 and 27-4-47.

3/- In G.O.R.No.1395 Home dated 19-5-47 communicated in B.P.Rt.No. 2989 dated 26-5-47, the Government were pleased to sanction the retention of the additional clerk sanctioned in G.O.No.Ms.854, Home dated the 4th March 47 for a period of one year.

4/- It is now found that the work connected with the grant of gun-licences in this district is too heavy to be managed even by the existing two clerks (inclusive of the additional temporary clerk). The number of applications which had risen to 5665 in 1946 after being comparatively at a static figure of 1500 up to 1945, shot up to 6280 in the year 1947. The gun licence clerk and the additional clerk were with great difficulty managing the work. There were (even now they are) attending office from 8.30 in the morning everyday and sitting up far into the night in their efforts

to clear the arrears of work, so much so that they have now become almost jaded. No other clerk of this office could also be detailed to assist them, as every seat has got enough work to engage one clerk throughout the office-hours.

5. In 1948, it is found that the number of applications is steadely on the increase. On an average about 700 fresh applications are received every month. The routine work connected with the registration etc. of these papers itself would engage a clerk the wholeday. To add to these, there are the replies to pending (about 40 a day) received from the Police and the Tahsildar-Magistrates. These have to be entered in the Personal Registers studied and an office note up on each paper. This item of work alone would engage another clerk for 7 hours a day. Draft orders and licences will then have to be prepared, entries made in the Gun licence registers, files stiched up and transferred to records. This particular item of work complete with the systematic issue of reminders would engage another clerk for seven hours each day.

6. From the last month onwards in view of the restrictions under the Arms and Explosives Rules imposed in G.O.Ms.No.794 (Confdl.) Home dated 3-3-1948 and G.O.Ms.No.771 Home dated 1-3-48 the normal work has increased two fold. All sale intimations have now to be got verified, licences for the possession of explosive substances issued to schools, Colleges, private medical practitioners, chemists and druggists who were not so far required to obtain any licences.

7. To sum up, I am satisfied that there is enough work for atleast 3 clerks in connection with the working of the Arms and Explosive Rules even if they are to work 10 hours a day. Unless in addition to the temporary clerk sanctioned in G.O.No.R. 1395 Home dated one more clerk is appointed, the work is likely to get completely out of gear and fall into utter confusion.

8. I request that the Government may be pleased to sanction the retention of the existing additional clerk for one more year from 28th May 1948, and also sanction the employment of a second, additional clerk for a period of one year in the first instance. As the work is accumulating, I request that the matter may kindly be treated as urgent.

9. A statement showing the number of gun licence applications received during thd last three years is enclosed.

For Dt.Magistrate.

Arms Act and Rules - South Kanara district - Renewal of arms licences - Temporary clerk in the office of the D.M. - Retention - Employment of addl. clerk - Sanction.

From the D.M., South Kanara, Ref.C.No.2584-C2-46, d/ 6-4-1948
From the Board of Rev., L.2195/48-1, dated 24-4-1948.

In G.O. No. Ms. 854, Home, dated 4-3-1947, sanction was accorded for the employment in the office of the D.M., South Kanara of a temporary l.d. clerk for a period of six months from the date of employment for work connected with the issue of firearm licences. The retention of this clerk for a period of one year from 27-5-1947 was sanctioned in G.O. No. R. 1395, Home, dated 19-5-1947. The present sanction expires on 26-5-1948.

2. The following statement shows the number of fresh applications received and the number of unnumbered papers received in the office of the D.M., South Kanara, for arms licences during 1945-48:-

Year.	No. of fresh applications received.	No. of unnumbered papers received (estimate)
1945	3500	2500
1946	5665	3000
1947	6280	3500
1948	(estimate) 8000	4000

There are now two clerks (including one temporary clerk) in the office of the D.M. for the work connected with the grant and renewal of gun licences. The D.M., South Kanara, has stated that the work is too heavy to be managed by two clerks and that the work has been very heavy since the issue of Memo. No. 39060-G/44-1, Home, d/ 22-12-1944. He has also stated that the work has increased two fold xxxx in view of the restrictions imposed xxxxxxxxxxxxxx under the Indian Arms and Explosives Acts in G.O. No. Ms. 771, Home, d/ 1-3-1948 and G.O. No. Ms. 794, Home, d/ 3-3-1948. According to the recent orders, all sale intimations have to be got verified and licences will have to be issued to Schools, Colleges, medical practitioners and chemists and druggists who were not so far required to obtain any licences. In the circumstances the D.M., South Kanara, requests xxxx the retention of the existing temporary clerk for a further period of one year from 27-5-1948 and also to sanction the

ployment of a second addl. clerk for a period of one year in the first instance. The Board of Revenue ~~xhxx~~ which was consulted, supports the proposal of the D.M., South Kanara.

3. The criterion for the employment of an addl. clerk in a D.M's office for the work of granting arms licences is that an addl. clerk may be employed when the number of arms licences to be renewed exceeds 600. ~~On this basis, the total number of licences to be granted or renewed is 14,400~~ per annum. The D.M. has reported that the number of applications ~~estimated~~ for 1948 will be about 8000 (numbered) and 4000 (unnumbered). In all the no. of ~~applications~~ Arms Def papers that will be received is 12,000/- for 1948. It ~~is below the average prescribed for two clerks. It does~~ would appear that three clerks are necessary to deal with this work. ~~not appear that there is a case for the employment of a third clerk.~~

4. For orders whether the recommendation of the Board of Revenue may ~~will~~ be accepted ~~Or whether the retention xxxxxxxxx of the clerk for a further period of one year, sanctioned in G.O. No. R. 1395, Home, d/ 19-5-1947 may be sanctioned~~ Revenue Finance may see for remarks.
